# Do you want Sheffield Council to make better decisions?

## Do you think all councillors should have the right to represent us (the voters) in decision-making?

At the moment, only 10 out of the 84 councillors have the power to make nearly all decisions!

## LET'S CHANGE THIS!

The referendum is our opportunity to get better decisions – and to create a council that is more open and which listens and works positively with others. **NO MORE RULE BY THE FEW!**

### The Referendum Question

#### How would you like Sheffield City Council to be run?

By a leader who is an elected councillor chosen by a vote of the other elected councillors. This is how the council is run now.

By one or more committees made up of elected councillors. This would be a change from how the council is run now.
