

All we hear is Brexit Brexit
Should we stay or should we exit
We voted for out
But yet we're still in
Our future right now is really grim
The heart of our city
Once beating so strong
A place to be proud of
A place to belong
With bustling shops and jobs a plenty
All closing down
Our streets looking empty
Where are our police?
Who once enforced law
A thing of the past we see them no more
People are nervous
Fearing to speak
So much anger and prejudice
Creating crime on our streets
So many homeless living in fear
This cannot go on year after year
We need things to change
And we need it now
Our politicians must put it right some how
For our city is loved
Make no mistake
That with the right tools
We can keep Sheffield

GREAT
